

The Power of the

Mind & Mind/Body Connection

Presented by: Fran Spayne, M.A.

Fran Spayne, M.A., Therapist/Life Coach, Reiki Master: For more than 30 years, Fran has taught courses all over New England on the power of the mind, the mind body connection, spirituality, visualization, meditation, and the universal law of attraction. She is currently a member of Emerson's Hospital's Reiki & Integrative Medicine Teams.

An educational program for those wishing to learn how every word, action and thought creates the atmosphere surrounding the care of patients.

Objectives of the program:

1. Discuss how every word, action, thought or prayer creates a vibration that can be felt by patients and co-workers
2. Describe how vibration effects environment and health
